## **Issues:**

We could make a list of our concerns as architects to the new administration in order to get their attention that in some ways we can be their “Think Tank or Friends of Architecture or Urban Design” to the New administration

# PRODUCTIVITY DIALOGUE WITH ARCHITECTURAL FRATERNITY

If I may suggest , we build up a list / Concern list for Government to look at :

1. 1 PRIMA
2. Design & built projects
3. Foreign architects
4. GLC's preference of foreign architects
5. Painstaking submission process
6. Maintaining SoF
7. Non-register Architectural Practice
8. Bahagian or Jabatan Arkitek Negara sitting alongside the Chief Secretary to d Government advising and advocating d Government on architecture and urban design as well as matters related to d quality of design and issues on Resilience and Sustainability Of Development to advise the Prime Minister
